

10-31 EC Meeting

Call to Order – Anderson Burgess

Business

Fall Fellowship- Removed amazing race chapter event in the morning. There will be an afternoon outdoor lunch. Alamance will run the Friday night cracker barrel. There will not be sweet snacks. Northern chapter will bring charcoal for the Saturday night cracker barrel. We need 25-30 dutch ovens for the competition. DT and Southern chapter will help with Saturday lunch. Tutelo will help with the Banquet. There are only 48 people registered so far.

Stew sales thus far reported:

North - 12

Tutelo - 20

DT - 350-400

South - 30

Alamance – Will have numbers Thursday night

Communications – Working on iContact for December. Chris still needs the templates back on a monthly basis. Chapter communications officers need to be keeping in contact with their chapters, especially new members. Some data in the database needs to be updated, this effort should be coordinated between Communications and Administration.

Upcoming Events - NLS has 10-11 people registered. Handouts and promotions for Summit Corps, as well as registration materials will be available. There has been high adult interest. The information should go on Facebook to help it reach the youth. Only 2 youth and 3 adults have signed up. Tyler will make Chris an administrator on the Facebook page so that he can post more information. Indian Summer has received high levels of voiced interest. Dues Post cards should be coming out soon. The deadline is November 13th. Double knot needs to be updated.
